

Our Moderation Policy Regarding Submitting Proposals

To aid in making the submission process as effective as possible for the public and the Constitution Revision Commission (CRC), the CRC has adopted the following policy:

This is a moderated submission system and should only be used for submitting proposed constitutional amendments relating to the Florida Constitution. Staff will not engage in viewpoint discrimination, but we reserve the right to not post, or remove after posting, submissions that:

- Contain abusive, vulgar, offensive, threatening, or harassing language;
- Contain language that would violate the law if published;
- Contain threats, personal attacks, hate speech, or defamatory statements;
- Contain copyrighted or other proprietary material without clear indication of permission to copy the material from the original source;
- Suggest or encourage illegal activity;
- Are spam proposals;
- Promote or endorse a submitter's own commercial services, products, or entities

Proposals may take up to three (3) business days to be posted on the CRC website in accordance with the moderation policy.
